Benefits & Health Fair
Learn about your benefit options and ask questions of the benefits staff and plan representatives. The Benefits team will be available to provide assistance with the Open Enrollment process through Workday.

- November 9, 2017 at Ida Noyes Hall, 1212 E. 59th Street from 9 am to 4 pm

The following information is intended to support your use of Workday to complete Open Enrollment.

Keep in mind
- Health and Dependent Care Flexible Spending Accounts (FSA), Health Savings Account (HSA), and 457(b) elections require you to re-enroll during Open Enrollment. Your 2017 deductions will default to $0 for calendar year 2018 unless you re-enroll.
- If you do not want to change any of your other current benefit elections you do not have to take action. Your 2017 elections will automatically continue for calendar year 2018.
- To leave Open Enrollment in Workday and return at a later time to finish your changes, you may click Save for Later at the bottom of the page.

Information & Documentation Needed
- CNet ID and password
- Open Enrollment Guide available at http://humanresources.uchicago.edu/benefits/
- When adding new dependents, proof of relationship documentation must be scanned, uploaded and attached at the end of your elections in Workday (e.g. Birth or Marriage Certificate).
- If you do not submit the required information by the Open Enrollment deadline, your dependent will be considered ineligible and his/her coverage will not be processed.
Logging Into Workday:

1. Visit workday.uchicago.edu and locate Log in to Workday on the left side of the screen.

2. Enter your CNet ID and password, click Login.

💡 If you don’t have a CNet ID, or can’t remember it, please go to http://cnet.uchicago.edu.
Open Enrollment Steps:

1. If this is your first time logging into Workday, click the Let’s get started! button.

2. Select the Cloud icon and select Inbox from the dropdown list.

3. Select the Change Benefits for Open Enrollment task from the Inbox; you may use the Expand icon for a full screen view of the task.

4. Select desired Benefit Plan by using the radio buttons under the *Elect/Waive column.
5. For each plan where you have selected Elect, click the Coverage column to enter for whom this coverage will apply.

6. If anyone other than the Employee is selected under the Coverage column, you will need to enter the appropriate individual(s) under the Enroll Dependents column by selecting Existing Dependents or Add Dependent

   i. If Existing Dependents is selected:
      a. Select the name of the dependent(s) you wish to add to that specific plan

   ii. If Add Dependent is selected:
      a. Use the radio buttons to indicate if the new dependent will be a Beneficiary.
      b. Click OK.
      c. Under Add Dependent enter the First Name, Last Name, Relationship, Date of Birth, and Gender of the dependent you wish to add.
      d. Under the Address section verify the existing information or use the Clear Value icon next to the existing address to remove it and enter the Address Line 1, City, State, Postal Code, and Type.
      e. Click OK.
iii. Select the **Continue** button to move forward with the Open Enrollment process.

iv. If you have any dependent(s) in Workday without a Social Security Number, you will be prompted to enter an **Identification Number** (Social Security Number).
