3. Click on the Edit Icon next to any of the following that need to be changed, using the prompt icon when necessary. If you have any questions or concerns about the data collected or our use of the data, please read the Employee and Job Applicant Data Privacy Notice, located at the following link:

**Gender (required)**
Changes to your gender selection require documentation and approval from the Benefits Team, as changes may affect your health insurance coverage.

**Date of Birth (required)**
This field is used to calculate your age for benefits purposes. Changes to your date of birth require documentation and approval from Shared Services.

**Marital Status (optional)**
Changes to the Marital Status field will not affect your benefits or tax information. These must be changed separately.
- To change your tax information, go back to the Workday home screen, select Pay, then Actions > Withholding Elections.
- To change your benefits, go back to the Workday home screen, select Benefits, then Change > Benefits.

**Race/Ethnicity (optional)**
Please note that the Race/Ethnicity options are exclusive of the Hispanic or Latino option. If you wish to identify only as Hispanic or Latino, please check the “Hispanic or Latino” box and do not select a Race/Ethnicity option.

**Citizenship Status (required)**
Select your citizenship status as it pertains to the United States. US citizenship statuses are listed under the “Recommended” menu option. If you select a non-US citizenship status, you will receive an error preventing you from submitting the task. Please select one and only one citizenship status. If you are not a US citizen or permanent resident, please select Temporary Resident, Unknown, or Visitor. Changes to your citizenship status require documentation and approval from the Payroll Team.
